*In the opinion of Bond Counsel, subject to compliance with certain tax covenants, interest on the Bonds is not includable in gross income for federal income tax purposes under existing statutes, regulations, rulings and court decisions. Interest on the Bonds will not be an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, interest on the Bonds will be taken into account in determining adjusted current earnings for purposes of computing the alternative minimum tax imposed on corporations. See TAX MATTERS for a description of certain other federal tax consequences of ownership of the Bonds. Bond Counsel is further of the opinion that the Bonds and the interest thereon are exempt from state, Commonwealth of Puerto Rico and local income taxation.*

**Public Improvement Refunding Bonds, Series 2012 A**  
**(General Obligation Bonds)**

**INTRODUCTORY STATEMENT**

This Official Statement of the Commonwealth of Puerto Rico (the “Commonwealth” or “Puerto Rico”), which includes the cover page, the inside cover page, and the appendices, provides certain information in connection with the sale of \$2,318,190,000 Commonwealth of Puerto Rico Public Improvement Refunding Bonds, Series 2012A (the “Bonds”). The Commonwealth expects to issue, on or about March 29, 2012, its \$415,270,000 Commonwealth of Puerto Rico Public Improvement Refunding Bonds, Series 2012B (the “Series B Bonds”). The Series B Bonds are being offered for sale solely in Puerto Rico pursuant to a separate Official Statement. The issuance of the Bonds is not contingent upon the issuance of the Series B Bonds.

The Bonds are being issued under the provisions of Act No. 33 of the Legislative Assembly of Puerto Rico, approved on December 7, 1942, as amended (the “Act”), and pursuant to a resolution authorizing the issuance of the Bonds (the “Bond Resolution”) adopted in accordance with the Act by the Secretary of the Treasury of the Commonwealth of Puerto Rico (the “Secretary of the Treasury”) and approved by the Governor of Puerto Rico on March 7, 2012.

The scheduled payment of principal and interest on the Bonds maturing July 1, 2022 bearing interest at a rate of 4.000%, July 1, 2023 bearing interest at a rate of 4.125%, July 1, 2024 bearing interest at a rate of 4.125%, July 1, 2025 bearing interest at a rate of 4.250%, July 1, 2027 bearing interest at a rate of 4.250%, and July 1, 2035 bearing interest at a rate of 5.000% (the “Insured Bonds”), when due will be guaranteed under an insurance policy to be issued concurrently with the delivery of the Insured Bonds by Assured Guaranty Municipal Corp. (“AGM”).

The good faith, credit and taxing power of the Commonwealth are irrevocably pledged for the prompt payment of the principal of and interest on the Bonds. The Constitution of Puerto Rico provides that public debt of the Commonwealth, which includes the Bonds, constitutes a first claim on available Commonwealth resources.

This Official Statement includes the Commonwealth’s Financial Information and Operating Data Report, dated December 6, 2011 (the “Commonwealth Report”), attached hereto as *Appendix I*, and the Comprehensive Annual Financial Report of the Commonwealth for the fiscal year ended June 30, 2010, prepared by the Department of the Treasury of the Commonwealth (the “Commonwealth’s Annual Financial Report”), which is incorporated by reference herein.

The Commonwealth Report includes important operating and financial information about the Commonwealth, including information about its economy, historical revenues and expenditures of its General Fund, the year-end results of fiscal year 2010, preliminary results for fiscal year 2011 and the first three months of fiscal year 2012, the projected fiscal year 2012 deficit, the budget for fiscal year 2012, the debt of the Commonwealth’s public sector, the financial situation of the Government’s retirement systems and certain litigation involving the Commonwealth. The Commonwealth Report was filed on December 6, 2011 by the Commonwealth with the Municipal Securities Rulemaking Board (“MSRB”) through the Electronic Municipal Market Access System (“EMMA”) (<http://emma.msrb.org>). The Commonwealth Report should be read in its entirety and in conjunction with RECENT DEVELOPMENTS herein.

The Commonwealth’s Annual Financial Report includes the basic financial statements of the Commonwealth as of and for the fiscal year ended June 30, 2010, together with the independent auditors’ report thereon (which report expresses an unqualified opinion and includes emphasis of matter

If the amount of the Bonds purchased or redeemed in any fiscal year exceeds the amount of the amortization requirement due on such Bonds for such fiscal year, the amortization requirement for such Bonds may be decreased for such subsequent fiscal years and in such amounts aggregating the amount of such excess as the Secretary of the Treasury shall determine.

#### **Notice of Redemption; Effect of Redemption**

Any redemption of the Bonds, either in whole or in part, shall be made upon at least a 30-day prior notice to DTC or, if the book-entry only system described above has been discontinued, by registered or certified mail, postage prepaid, to all registered owners of the Bonds to be redeemed in the manner and under the terms and conditions provided in the Bond Resolution. On the date designated for redemption, notice having been given as provided in the Bond Resolution and moneys for payment of the principal of and accrued interest on the Bonds or portions thereof so called for redemption being held by the Registrar, interest on the Bonds or portions thereof so called for redemption shall cease to accrue.

Each notice of redemption shall contain, among other things, the particular Bonds (or portions thereof) being called for redemption, the redemption date and price and the address at which such Bonds are to be surrendered for payment of the redemption price. Any defect in such notice or the failure so to mail any such notice to DTC in respect of, or the registered owner of, any Bond will not affect the validity of the proceedings for the redemption of any other Bond.

Any notice of optional redemption may state that the redemption is conditional and, if so, the notice shall state what the conditions are. If at the time of mailing a notice of optional redemption there shall not have been deposited with the Registrar moneys sufficient to redeem the Bonds called for redemption, such notice shall state that it is subject to the deposit of the redemption moneys with the Registrar not later than the opening of business on the redemption date, and such notice shall be of no effect unless such moneys are so deposited. A conditional notice of optional redemption may be rescinded by the Commonwealth upon not less than two Business Days' notice prior to the proposed redemption date.

If less than all the Bonds of any maturity are called for redemption, the particular Bonds so called for redemption shall be selected by the Registrar by such method as it deems fair and appropriate, except that so long as the book-entry only system shall remain in effect, in the event of any such partial redemption, DTC shall reduce the credit balances of the applicable DTC Participants in respect of the Bonds and such DTC Participants shall in turn select those Beneficial Owners whose ownership interests are to be extinguished by such partial redemption, each by such method as DTC or such DTC Participant, as the case may be, in its sole discretion, deems fair and appropriate.

##### *Provision for Payment of Public Debt*

In accordance with the Act, the Commonwealth has pledged the good faith, credit and taxing power of the Commonwealth for the prompt payment of the principal of and interest on the Bonds. Pursuant to the Act, the Bonds constitute general obligations of the Commonwealth, payable with any funds available to the Commonwealth, which funds are appropriated as continuous appropriations, without the need to make specific appropriations for such purposes.

Section 8 of Article VI of the Constitution of Puerto Rico provides that public debt of the Commonwealth will constitute a first claim on available Commonwealth resources. Public debt includes general obligation bonds and notes of the Commonwealth and any payments required to be made by the Commonwealth under its guarantees of bonds and notes issued by its public instrumentalities.

The Commonwealth has allocated certain motor vehicle fuel taxes, crude oil and derivative products excise taxes and license fees to Puerto Rico Highways and Transportation Authority (the "Highways Authority"). The amounts so allocated, however, are subject to first being applied to payment of the principal of and interest on the Commonwealth public debt, but only if and to the extent that all other available revenues of the Commonwealth are insufficient for that purpose. The Commonwealth has never had to apply such amounts to the payment of its public debt.

Since fiscal year 1989, the Commonwealth has pledged to Puerto Rico Infrastructure Financing Authority certain federal excise taxes imposed on alcoholic beverages and tobacco products produced in Puerto Rico and sold in the United States, which taxes are returned to the Commonwealth. The amounts so pledged, however, are subject to first being applied to payment of the principal of and interest on the Commonwealth public debt, but only if and to the extent that all other available revenues of the Commonwealth are insufficient for that purpose. The Commonwealth has never had to apply such amounts to the payment of its public debt.

Act No. 91 of May 13, 2006, as amended ("Act No. 91"), allocates a portion of the Commonwealth sales and use tax to pay debt service on the bonds issued by COFINA for the purpose of, among other things, paying or financing certain obligations of the Commonwealth, paying or financing a portion of the Commonwealth's operational expenses, and funding the Puerto Rico Economic Stimulus Fund, the Commonwealth Emergency Fund and the Economic Cooperation and Public Employees Alternatives Fund. Act No. 91 provides that the Dedicated Sales Tax Fund created by Act No. 91, the funds on deposit therein and the Commonwealth sales and use tax pledged to COFINA do not constitute "available Commonwealth resources" of the Commonwealth for purposes of Section 2 and Section 8 of Article VI of the Constitution of Puerto Rico and are not available for use by the Secretary of the Treasury. As a result, the portion of the Commonwealth sales and use tax allocated to COFINA is not available for the payment of principal of and interest on the Bonds.

The Constitution expressly empowers a holder of bonds and notes evidencing public debt to bring suit against the Secretary to require application of available resources, including surplus, to the payment of principal of and interest on public debt when due.

*Special Fund for the Bonds (General Obligation) Debt Service*

Act No. 83 of the Legislative Assembly of Puerto Rico, approved on August 30, 1991, as amended, provides for the levy of an annual special tax of 1.03% of the assessed value of all real and personal property not exempt from taxation. The proceeds of said tax are credited to the Commonwealth Debt Redemption Fund (the "Redemption Fund"), for application to the payment of general obligation bonds and notes of the Commonwealth.

Act No. 39 of the Legislative Assembly of Puerto Rico, approved on May 13, 1976, as amended ("Act No. 39 of 1976"), requires the Secretary of the Treasury to transfer each month from available funds of the Commonwealth to the Redemption Fund such amounts which, together with certain other funds deposited therein, will be equal to the sum of one-sixth of the interest to be paid in the next six months and one-twelfth of the principal to be paid or required to be amortized within the next twelve months on all bonds and notes of the Commonwealth for which its good faith and credit are pledged as the same become due and all bonds and notes of the Commonwealth for which the guaranty of the Commonwealth has been exercised. Moneys in the Redemption Fund are held in trust by Government Development Bank. Act No. 39 of 1976 provides that the obligation of the Secretary of the Treasury to

make the above transfers is cumulative, and the amount of any deficiency in any month shall be added to the amount of transfers required in future months until such deficiency has been fully paid. During fiscal years 2010, 2011 and 2012 the Commonwealth entered into loan agreements with Government Development Bank the proceeds of which were used to refinance deposits to the Redemption Fund. The Commonwealth expects to enter into a loan agreement with Government Development Bank the proceeds of which would be used to refinance deposits to the Redemption Fund during fiscal year 2013. Unless authorizing legislation permitting borrowings to finance debt service is extended, the Commonwealth will not be able to borrow from Government Development Bank to refinance deposits to the Redemption Fund after June 30, 2013. On February 15, 2012, the Redemption Fund was fully funded.

Act No. 39 of 1976 expressly relates to direct obligations of the Commonwealth. It does not apply to the payment of bonds and other obligations of public corporations guaranteed by the Commonwealth issued after the date of its adoption.

### **Payment Record**

The Commonwealth has never defaulted on the payment of principal of or interest on any of its debt.

### **Debt Limitation**

#### *Constitutional Debt Limitation*

Section 2 of Article VI of the Constitution of Puerto Rico provides that direct obligations of the Commonwealth evidenced by good faith and credit bonds or notes shall not be issued if the amount of the principal of and interest on such bonds and notes and on all such bonds and notes theretofore issued that is payable in any fiscal year, together with any amount paid by the Commonwealth in the fiscal year preceding the fiscal year of such proposed issuance on account of bonds or notes guaranteed by the Commonwealth, exceed 15% of the average annual revenues raised under the provisions of Commonwealth legislation and deposited into the Treasury (hereinafter "internal revenues") in the two fiscal years preceding the fiscal year of such proposed issuance. Section 2 of Article VI does not limit the amount of debt that the Commonwealth may guarantee so long as the 15% limitation is not exceeded through payments by the Commonwealth on such guaranteed debt. Internal revenues consist principally of income taxes, property taxes, sales and use taxes and excise taxes. Certain revenues, such as federal excise taxes on offshore shipments of alcoholic beverages and tobacco products and customs duties, which are collected by the United States Government and returned to the Treasury, and motor vehicle fuel taxes, crude oil and derivative products excise taxes and license fees, which are allocated to the Highways Authority, are not included as internal revenues for the purpose of calculating the debt limit, although they may be available for the payment of debt service. In addition, the portion of the sales and use tax allocated to COFINA is also not included as internal revenues consistent with the legislation creating COFINA, which legislation transfers ownership of such portion of the sales and use tax to COFINA and provides that such portion is not "available Commonwealth resources" under the above cited Constitutional provisions relating to public debt.

#### *Variable Rate Bonds and Swap Agreements*

Joint Resolution No. 2104 of the Legislative Assembly of Puerto Rico, approved on September 30, 2004 ("Joint Resolution No. 2104"), authorized the Commonwealth to enter into interest rate exchange agreements with respect to the Commonwealth's \$447,875,000 Public Improvement Refunding Bonds, Series 2004B (the "Series 2004B Bonds"), which were issued as variable rate bonds. Joint Resolution No. 2104 allows the Commonwealth to calculate the 15% constitutional debt limitation using (i) the fixed rate it is required to pay under any interest rate exchange agreement entered into by the Commonwealth in connection with the Series 2004B Bonds, and (ii) the lesser of (A) the maximum

interest rate allowed by law, and (B) the maximum interest rate set forth in the resolution approving the bonds, if any, in connection with the Commonwealth's \$279,240,000 Public Improvement Refunding Bonds, Series 2004A (the "Series 2004A Bonds") and any Series 2004B Bonds for which no interest rate exchange agreement is executed. In November 2004, the Commonwealth entered into two interest rate exchange agreements with respect to the Series 2004B Bonds. Upon the issuance of the Bonds, the Series 2004A Bonds and the Series 2004B Bonds will no longer be outstanding. The interest rate exchange agreements entered into in connection with the Series 2004A Bonds and the Series 2004B Bonds will be terminated in connection with the issuance of the Bonds.

Act No. 39 of the Legislative Assembly of Puerto Rico, approved on August 1, 2005, as amended ("Act No. 39 of 2005") authorizes the Commonwealth to enter into interest rate exchange agreements with respect to its general obligation bonds, subject to certain conditions, including that the agreements are entered into to reduce certain financial risks associated with issuing variable rate obligations. The Secretary is also authorized to pledge the good faith, credit and taxing power of the Commonwealth for the payment of the obligations incurred under such interest rate exchange agreements. Act No. 39 of 2005 allows the Commonwealth to calculate the constitutional debt limit in a manner identical to that utilized in Joint Resolution No. 2104.

In August 2006, the Commonwealth issued its \$500,000,000 Public Improvement Bonds of 2006, Series A, a portion of which bonds bear interest at a rate that will change periodically based on changes in the United States consumer price index. In connection with such consumer price index floating rate bonds (the "2006 CPI Bonds"), the Commonwealth entered into interest rate exchange agreements, the effect of which economically enable the Commonwealth to pay a fixed rate of interest in respect thereof.

In August and September 2006, the Commonwealth entered into interest rate exchange agreements (the "Series 2003 Swaps"), the effect of which economically enable the Commonwealth to pay a fixed rate of interest in respect of a portion of the Commonwealth's \$1,018,245,000 Public Improvement Refunding Bonds, Series 2003C (said portion, the "2003C Swap Bonds") and whose payments commenced on July 1, 2008, the end of the initial fixed rate period on the 2003C Swap Bonds. Upon the issuance of the Bonds, approximately \$431,000,000 of the 2003C Swap Bonds will remain outstanding. A portion of the Series 2003 Swaps will be terminated in connection with the issuance of the Bonds.

In October 2007, the Commonwealth issued its \$926,570,000 Public Improvement Refunding Bonds, Series 2007 A, a portion of which bonds bear interest at a variable rate and, in connection with said bonds (said portion, the "2007 Swap Bonds") entered into interest rate exchange agreements (the "Series 2007A Swaps"), the effect of which economically enables the Commonwealth to pay a fixed rate of interest in respect thereof. Upon the issuance of the Bonds, approximately \$29,840,000 of the 2007 Swap Bonds will remain outstanding. A portion of the Series 2007A Swaps will be terminated in connection with the issuance of the Bonds.

In May 2008, the Commonwealth issued its \$173,975,000 Public Improvement Refunding Bonds, Series 2008B (the "2008 Swap Bonds"), for the purpose of refunding a portion of the Series 2004B Bonds, and, in connection therewith, continued the swap related to such refunded Series 2004B Bonds (the "Series 2004B Swap").

In March 2011, the Commonwealth issued its \$274,550,000 Public Improvement Refunding Bonds, Series 2011 (the "2011 Swap Bonds"), which bear interest at a variable rate, for the purpose of refunding the 2008 Swap Bonds and a portion of the 2007 Swap Bonds. Upon the issuance of the Bonds, the 2011 Swap Bonds will no longer be outstanding. The Series 2004B Swap will be terminated in connection with the issuance of the Bonds.

In addition, the Commonwealth has also executed under the authority granted in Act No. 39 of 2005, interest rate exchange agreements in which the Commonwealth is making payments on

\$1,698,370,000 notional amount of public improvement bonds based on a short-term interest rate index published by Securities Industry and Financial Markets Association ("SIFMA") and is receiving from its counterparties payments on the same notional amount based on the published three-month London Interbank Offered Rate index (the "basis swap").

See "Interest Rate Exchange Agreements" under DEBT in the Commonwealth Report for a list of the Commonwealth's outstanding interest rate exchange agreements and their mark-to-market value as of September 30, 2011.

After giving effect to the issuance of the Bonds and the Series B Bonds (including the repayment of the GDB Lines of Credit, the refunding of the Refunded Bonds, and the refunding of certain other Commonwealth general obligation bonds being refunded with a portion of the proceeds of the Series B Bonds), future maximum annual debt service for the Commonwealth's outstanding general obligation debt is \$989,231,968 in the fiscal year ending June 30, 2016, based on the assumption that (i) the outstanding 2003C Swap Bonds, 2006 CPI Bonds, and 2007 Swap Bonds bear interest at the maximum rate of 12% per annum (rather than the lower rate that the Commonwealth is required to pay under the applicable interest rate exchange agreements as permitted by law) and (ii) the public improvement bonds to which the basis swap relates bear interest at their stated interest rates, rather than the rates set forth in the basis swap. This amount (\$989,231,968) plus the amount paid by the Commonwealth in fiscal year 2011 on account of bonds or notes guaranteed by the Commonwealth (\$16,520,000), for a total of \$1,005,751,968, is equal to 13.2% of \$7,600,369,500, which is the average of the adjusted preliminary internal revenues for the fiscal year ended June 30, 2010 and preliminary internal revenues for the fiscal year ended June 30, 2011. If the interest on the outstanding bonds described in clause (i) above is calculated using the fixed rate paid by the Commonwealth under the interest rate exchange agreements executed in connection with such bonds, as permitted by law, the percentage referred to in the preceding sentence would be 12.7%. Any potential termination payment (which is a good faith and credit obligation of the Commonwealth) payable by the Commonwealth (which is based on the then applicable mark-to-market value) upon termination of the applicable interest rate exchange agreements is not included in the calculation of the 15% constitutional debt limitation.

As of December 31, 2011, Port of the Americas Authority had issued bonds guaranteed by the Commonwealth (the "POA Guaranteed Bonds"), in the amount of \$250 million, of which \$213.2 million is currently outstanding. The Commonwealth has begun to make payments of debt service on the POA Guaranteed Bonds and expects to continue to make all payments on the POA Guaranteed Bonds under the good faith and credit guarantee of the Commonwealth. During fiscal year 2011 and fiscal year 2012, the Commonwealth made payments under its guaranty of the POA Guaranteed Bonds of \$16.5 million and \$17.3 million, respectively.

### **Maturity Limitation**

The Constitution provides that no bonds or notes of the Commonwealth shall mature later than 30 years from their date of issue, except bonds or notes for housing facilities, which shall mature in no more than 40 years.

## LITIGATION

As of the date hereof, to the knowledge of the officers of the Department of the Treasury with responsibility over the issuance of the Bonds, there is no litigation of any nature pending or threatened against the Commonwealth to restrain or enjoin the issuance, sale, execution or delivery of the Bonds or the application of the proceeds thereof as described in this Official Statement, or in any way contesting or affecting the validity of the Bonds or any proceedings of the Commonwealth taken with respect to the issuance or sale of the Bonds.

## TAX MATTERS

The Internal Revenue Code of 1986, as amended (the "Code"), includes requirements which the Commonwealth must continue to meet after the issuance of the Bonds in order that interest on the Bonds not be included in gross income for federal income tax purposes. The Commonwealth's failure to meet these requirements may cause interest on the Bonds to be included in gross income for federal income tax purposes retroactive to their date of issuance. The Commonwealth has covenanted in the Bond Resolution to comply, to the extent permitted by the Constitution and the laws of the Commonwealth, with the requirements of the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds. Bond Counsel is not aware of any provision of the Constitution or laws of the Commonwealth which would prevent the Commonwealth from complying with the requirements of the Code.

In the opinion of Bond Counsel, subject to continuing compliance by the Commonwealth with the tax covenant referred to above, under the provisions of the Acts of Congress now in force and under existing regulations, rulings and court decisions, interest on the Bonds will not be included in gross income for federal income tax purposes. Interest on the Bonds will not be an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, interest on the Bonds will be taken into account in determining adjusted current earnings for purposes of computing the alternative minimum tax imposed on corporations. Bond Counsel is further of the opinion that the Bonds and the interest thereon are exempt from state, Commonwealth and local income taxation.

Ownership of tax-exempt obligations such as the Bonds may result in collateral federal income tax consequences to certain taxpayers, including, without limitation, financial institutions, property and casualty insurance companies, certain foreign corporations, certain S Corporations with excess passive income, individual recipients of Social Security or Railroad Retirement benefits, taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations, and taxpayers who may be eligible for the earned income tax credit.

Ownership of tax-exempt obligations may also result in collateral income tax consequences under Puerto Rico law to financial institutions doing business in Puerto Rico.

Prospective purchasers of the Bonds should consult their tax advisors as to their specific taxation circumstances and the applicability and impact of any collateral consequences.

Legislation affecting municipal securities is constantly being considered by the United States Congress. There can be no assurance that legislation enacted after the date of issuance of the Bonds will not have an adverse effect on the tax-exempt status of the Bonds. Legislative or regulatory actions and proposals may also affect the economic value of tax exemption or the market price of the Bonds.

other disposition of Premium Bonds and with respect to the state and local tax consequences of owning and disposing of Premium Bonds.

### LEGAL MATTERS

The proposed form of opinion of Greenberg Traurig LLP, Boston, Massachusetts, Bond Counsel, is set forth in *Appendix II* to this Official Statement. Certain legal matters will be passed upon for the Underwriters by O'Neill & Borges LLC, San Juan, Puerto Rico.

### VERIFICATION OF MATHEMATICAL COMPUTATIONS

Causey, Demgen & Moore, Inc., will verify, from the information provided to them, the mathematical accuracy as of the date of the delivery of the Bonds of (1) the computations contained in the provided schedules to determine that the anticipated receipts from the securities and cash deposits listed in such schedules, if any, to be held in escrow, will be sufficient to pay, when due, the principal and interest on the Refunded Bonds, and (2) the computations of yield on both the securities, if any, and the Bonds contained in such schedules used by Bond Counsel in its determination that the interest on the Bonds is excluded from gross income for federal income tax purposes. The verification agent will express no opinion on the assumptions provided or as to the exemption from taxation of the interest on the Bonds.

### UNDERWRITING

## APPENDIX II

### PROPOSED FORM OF OPINION OF BOND COUNSEL

[Closing Date]

Secretary of the Treasury of the  
Commonwealth of Puerto Rico  
Department of the Treasury  
San Juan, Puerto Rico

RE: \$2,318,190,000 Commonwealth of Puerto Rico Public Improvement Refunding Bonds,  
Series 2012 A (General Obligation Bonds)

Dear Mr. Secretary:

We have acted as bond counsel to the Commonwealth of Puerto Rico (the "Commonwealth") in connection with the issuance of \$2,318,190,000 Commonwealth of Puerto Rico Public Improvement Refunding Bonds, Series 2012 A (the "Bonds"). In such capacity we have examined Act No. 33 of the Legislative Assembly of Puerto Rico, approved December 7, 1942, as amended (the "Act"), and such other law and such certified proceedings and other documents as we have deemed necessary to render this opinion, including a resolution adopted by the Secretary of the Treasury of the Commonwealth (the "Secretary") and approved by the Governor of the Commonwealth on March 7, 2012 (the "Bond Resolution"). We also have examined one of the Bonds of each series as executed and authenticated.

The Bonds are issued pursuant to the Act and the Bond Resolution. The Bonds mature on July 1 of the years and in such principal amounts and bearing interest at the rates, all as set forth in the Bond Resolution. The Bonds are issuable as registered Bonds without coupons in the manner and in accordance with the terms and conditions of the Bond Resolution.

Regarding questions of fact material to our opinion, we have relied on representations of the Secretary contained in the Bond Resolution, and the certified proceedings and other certifications of public officials and others furnished to us without undertaking to verify the same by independent investigation.

Based on the foregoing, we are of opinion that, under existing law:

1. The Act is valid.
2. Said proceedings have been validly and legally taken.
3. The Act and such proceedings and certifications show lawful authority for the issuance and sale of the Bonds, and the Bonds constitute valid and binding general obligations of the Commonwealth for the payment of the principal of and the interest on the Bonds, to which the good faith, credit and taxing power of the Commonwealth are pledged.

4. Under the provisions of the Acts of Congress now in force and under existing regulations, rulings and court decisions, (i) subject to compliance with the covenant referred to below and requirements of the Internal Revenue Code of 1986, as amended (the "Code"), and the Bond Resolution regarding the use, expenditure and investment of Bond proceeds and the timely payment of certain investment earnings to the Treasury of the United States, if required, interest on the Bonds is not includable in gross income for federal income tax purposes, and (ii) the Bonds and the interest thereon are exempt from state, Commonwealth, and local income taxation.

Interest on the Bonds will not be an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations. However, interest on the Bonds will be taken into account in determining adjusted current earnings for purposes of computing the alternative minimum tax imposed on corporations. The Code contains other provisions that could result in tax consequences, upon which we express no opinion, as a result of (i) ownership of Bonds, or (ii) the inclusion in certain computations of interest that is excluded from gross income.

The Commonwealth has covenanted to comply with the requirements of the Code, to the extent permitted by the Constitution and laws of the Commonwealth, so that interest on the Bonds will remain exempt from federal income taxes to which it is not subject on the date of issuance of the Bonds. We are not aware of any provisions of the Constitution or laws of the Commonwealth which would prevent the Commonwealth from complying with the requirements of the Code.

The opinions expressed herein are for the benefit of the addressees only and may not be quoted, circulated, assigned or delivered to any other person or for any other purpose without our prior written consent. The opinions expressed herein are based on an analysis of existing laws, including regulations, rulings, official interpretations of law issued by the United States Internal Revenue Service, and court decisions on or prior to the date hereof. Such opinions may be adversely affected by actions taken or events occurring, including a change in law, regulation or ruling (or in the application or official interpretation of any law, regulation or ruling) after the date hereof. We have not undertaken to determine, or to inform any person, whether such actions are taken or such events occur, and we have no obligation to update this opinion in light of such actions or events.

Respectfully submitted,

Greenberg Traurig, LLP
